

Featured Consultants Section Verification Report

Overview

Successfully navigated to <https://rcb8qrdqfcrj.space.minimax.io> and verified the featured consultants section on the homepage.

Key Findings

Real Consultant Names Confirmed

The featured consultants section now displays **real consultant names** instead of fictitious ones, including:

1. **Charles Burke** - UK Government Scotland - International Trade Division
2. **Dr Anna Jerzewska** - Trade & Borders Consultancy
3. **Gwern Ifans** - Wales Trade Policy Advisory
4. **Mary Meehan** - InterTradeIreland Business Solutions
5. **Rebecca Bermingham** - TRIUMPH International Trade Solutions
6. **Chris Ashworth** - Northern Customs Solutions

Data Formatting Quality Assessment

Excellent Professional Presentation:

- Clean card-based layout design
- Consistent formatting across all consultant profiles
- Well-organized information hierarchy

Complete Data Structure for Each Consultant:

- Organization name and consultant name clearly displayed
- Price range indicators (£, ££, £££)
- Geographic locations across UK regions (Edinburgh, London, Cardiff, Belfast, Birmingham, Manchester)
- Response time commitments (2h to 24h)
- Detailed professional descriptions
- Years of experience (5-15 years)
- Team size information (3-25+ members)
- Minimum project costs (£1,000 - £10,000)
- Free consultation availability status
- Multiple contact options (View Profile, Contact, Website, Call)

Technical Implementation:

- All contact links are properly formatted with correct URLs
- Phone numbers use proper tel: protocol
- External website links are functional
- Profile and contact pages have unique identifiers

Conclusion

The featured consultants section has been successfully updated with:

1.  Real consultant names (as requested - Charles Burke, Dr Anna Jerzewska, etc.)
2.  Professional, well-formatted data presentation
3.  Comprehensive consultant information
4.  Functional contact mechanisms
5.  Consistent design and user experience

The implementation meets all verification requirements and displays high-quality, professional consultant profiles.
